

PERSONNELService Personnel: Growth in Job Skills

Service employees are encouraged to expand their knowledge and skills in areas that will provide more effective services for students.

A. There will be an organized program of inservice training for service employees directed towards increasing their knowledge, improving their job skills and generally upgrading the school division.

B. Service personnel who wish to attend meetings, conferences and conventions in order to gain additional knowledge and/or skills request to do so through their immediate supervisor.

C. The superintendent shall take such time of the employee as he/she judges to be necessary and to employ non-school persons to assist or conduct these programs to the extent that funds have been approved in the annual budget.

Adopted by School Board: March 12, 1991
Amended by School Board: August 26, 1997
